1. THE OSIRIS EXTERNAL WEBSITE

This document represents the OSIRIS Public Website. The website address is:

www.osirisrail.eu

The website was created by UNIFE and will be technically maintained by UNIFE as well. The regular information update for the public website will be ensured by UITP and UNIFE.

The website has been designed to reflect the OSIRIS design styles that are used for other dissemination material.

Figure 1: Screenshot of the OSIRIS website homepage

The website is structured the following way:

- About OSIRIS Brief project overview in terms of contents
- Project Structure Overview about the administrative project structure
- Objectives Description of the project aim
- News and events News Corner including the list of upcoming events on OSIRIS
- Projects Partners Graphical overview of the project partners involved
- Deliverables Public download area for OSIRIS deliverables
- Downloads Public documents related to OSIRIS and other relevant dissemination material
- Links Other energy related projects and relevant websites
- Members area Access to the internal website (D8.3)
- Contact Overview about the OSIRIS contact persons
